<p><b>I’m Going All The Way</b> Whatever it takes to make it I'm going all the way. I may be down sometimes but I won't be down always. I had some problems, heartache and pain. Tryin’ to find the answers. I've been rackin’ my brain, but as I thought about it began to come clear; To get myself together and go on from here. Whatever it takes to make it, I’m going all the way. I may be down sometimes but I won't be down always. Now I know better. It's time to move on; My determination is what keeps me strong. Oh, I believe in myself like never before;</p>	<p>Faith is the key to unlock the door. Whatever it takes to make it, I’m going all the way. I may be down sometimes but I won't be down always. (Repeat) Whatever it will take to help you live your goal don’t give up hope, I know you can cope. Just move on. Don’t ever stop. Just keep pressing on. Whatever it takes to make it, I’m going all the way. I may be down sometimes but I won't be down always. Don’t you give up. Don’t you give out. Don’t you give in. Hold on to your goal. (Repeat) I’m going all the way! (Repeat)</p>
