**I'm Going All The Way**

Whatever it takes to make it I'm going all the way. I may be down sometimes but I won't be down always.

I had some problems, heartache and pain.

Tryin to find the answers. I've been rackin my brain, but as I though about it began to come clear; To get myself together and go on from here.

Whatever it takes to make it, I'm going all the way. I may be down sometimes but I won't be down always. Now I know better. It's time to move on; My determination is what keeps me strong. Oh, I believe in myself like never before;

Faith is the key to unlock the door.

Whatever it takes to make it, I'm going all the way.

I may be down sometimes but I won't be down always. (Repeat)

Whatever it will take to help you live your goal don't give up hope, I know you can cope. Just move on. Don't ever stop. Just keep pressing on.

Whatever it takes to make it, I'm going all the way. I may be down sometimes but I won't be down always.

Don't you give up. Don't you give out. Don't you give in. Hold on to your goal. (Repeat)

I'm going all the way! (Repeat)
