Voting should be as easy and convenient as possible, and in many cases it is. But across the U.S., too many politicians are passing measures making it harder to cast a ballot. The goal is to manipulate political outcomes, and the result is a severely compromised democracy that doesn't reflect the will of the people. Tactics such as Voter Id Laws, voter registration restrictions, voter purges, voter suppression, felony disenfranchisement, and gerrymandering just name a few. Our democracy works best when all eligible voters can participate and have their voices heard. Know Your Rights before you get to the polling booth on Tuesday, November 3rd. We have included a link that has excellent insight into what is on the current ballot.

<http://www.easylvoterguide.org/wp-content/uploads/2020/09/EVG-Nov2020-Eng.pdf> and we have an excellent handbook that details all of the measures and propositions that we will be handing out in Leimert park.

What happens to a dream deferred? Langston Hughes

Does it dry up like a raisin in the sun?
Or fester like a sore—
And then run?
Does it stink like rotten meat?
Or crust and sugar over—
like a syrupy sweet?

Maybe it just sags like a heavy load.
Or does it explode?

Congregational Song Lift Every Voice and Sing

Lift ev'ry voice and sing

'Til earth and heaven ring

Ring with the harmonies of Liberty

Let our rejoicing rise High as the list'ning skies

Let it resound loud as the rolling sea

Sing a song full of the faith that the dark past has taught us

Sing a song full of the hope that the present has brought us

Facing the rising sun of our new day begun

Let us march on 'til victory is won

God of our weary years God of our silent tears

Thou who has brought us thus far on the way

Thou who has by Thy might Led us into the light

Keep us forever in the path, we pray

Lest our feet stray from the places, our God, where we met Thee

Lest, our hearts drunk with the wine of the world,

we forget Thee

Shadowed beneath Thy hand May we forever stand

True to our God

True to our native land

Let us march on 'til victory.... March on 'til victory....

March on 'til victory is won
