In 1965, in his book, *Message to the Blackman in America*, the Honorable Messenger, Elijah Muhammad wrote:

#### ORIGINAL MAN KNOW THYSELF

It is knowledge of self that the so-called Negroes lack that, which keeps them from enjoying freedom, justice, and equality. This belongs to them divinely as much as it does to other nations of the Earth.

It is Allah's (God's) will and purpose that we shall know ourselves. Therefore, He came Himself to teach us the knowledge of self. He has declared that **[A. We are Descendants of the Asian Black Nation and B. The Tribe of Shabazz.]**

You might ask who this Tribe of Shabazz is? Originally, they were the tribe that came with the Earth (or this part) 66 trillion years ago when a great explosion on our planet divided it into two parts. One we call Earth and the other Moon.

One of our scientists, God; who wanted the people to speak one language, one dialect for all, but could not bring this about. He decided to kill us by destroying our planet, but still, He failed. We were lucky to be on this part, Earth, which did not lose its Water in the mighty blasting away of the part called the Moon.

We, the Tribe of Shabazz, says Allah (God), was the first to discover the best part of our planet to live on: The Rich Nile Valley of Egypt and the present Seat of the Holy City, Mecca, Arabia (p. 31)<sup>[1]</sup>. **[To reiterate]: "We, the Tribe of Shabazz, says Allah (God), was the First to discover the best part of our planet to live on: The Rich Nile Valley of Egypt and the Present Seat of the Holy City, Mecca, [in] Arabia."** On page 219, he wrote: **Immortality is Now, Here. What is the Source of the Honorable Messenger, Elijah Muhammad's **Cosmology, and Concept of Self-Creation?**

What do 66 Trillion Years BCE Astronomical Mythology/Theology/Eschatology of Cyclical Cosmic Time-Mind mean to the researchers, scholars, and scientists of quantum physics, astrophysics, and astronomy in cosmologies concerning our cosmic creations from within Our Ageless and Timeless Multidimensional Spiritual Space?

66 Trillion Years BCE may mean events that occur within the Infinite Netjert Huhet Ur Heka or Feminine Netjert Infinite Multidimensional Spiritual Space + The Eternity Netjer Huhi Ur Heka or Masculine Netjer Eternal Multidimensional Spiritual Space's Symbolic Forever Transformative Pair of Snake + Frog?

66 Trillion Years BCE may represent how our eternally transformative multidimensional and unmanifested Sub-Atomic—Sub-Atomic—Realms of Multidimensional Spiritual Space involve and evolve forever into our materially transformative manifested Atomic—Atomic—Realms of Our Cosmic Creation Concentrated Forms of Galaxies and all connected to it within this, Our Multidimensional Spiritual Space wherein Our Atomic—Atomic—Manifestations evolves within nTr Ptah-Neb-Ankh Ur Heka's Cosmos?

A most profound amount of deep soul searching and introspection activities occurred in Ancient Kemet's Divine Mind's sacred stories captured and contained in Our Ritual of the Reu Nu Pert Em Hru Ur Heka In-Persons that addresses these sought of personal inquiries and cultural inquiries!**

**Children of Shabazz: Shabaka Speaks'** approach to the studies and stories of global comparative astro-religions, religious studies, astro-mythologies, astro-mysticism, astro-philosophy, and astro-spirituality's researches, investigations, and explorations suggest that **Ancient Kemet's Divine Mind's Sacred Stories captured and contained are Our Ritual of the Reu Nu Pert Em Hru Ur Heka In-Persons.**

**This ancient Ritual of Arising OneSelf's Cosmic Ma'at Ur Heka's Cosmic Conscience-Consciousness Spiritual Intelligence In-Persons on Cosmic Planet Earth with Water and the Moon constituted the foundation of Our Kamite Nilotic—Hapy/Hapi Valley—Æthiopian Kemetic sacred stories captured. Later, upon the end of King Solomon's reign, something horrific happened to the Kamite Hebrews-Israelites in the Fertile Crescent's lands. Perhaps through the unforeseen periodic planetary changes, the Kamite Hebrews-Israelites in the Fertile Crescent's lands were brought down into bondage and afflicted cruelly by many oppressors and even by the rulers of the Afro-Asians' Semite-lus or Semite Jews and the Semite Arabs throughout the Fertile Crescent's lands and the Arabian Peninsula's lands.

Moreover, Out of Kemet, and seemingly simultaneously connected to events in the Fertile Crescent lands and the Arabian Peninsula's lands, in the Greek lands, the names Atum Amsy Hru Iusa Ur Heka, Atum Amsy Hru Iusu Ur Heka, or Atum Amsy Hru Jesus Ur Heka became changed; it was called the Kristos, Kris, Christos, Heracles, Hercules, Hero, Christ, and the Messiah.

In our Aegean cultures, these sacred Medu Netjer names became merely temporal divine kingly or royal titles employed for mundane state purposes.

Nonetheless, these titles all derive from Nswt Bjty Atum Ausar Amsy Heru Ur Heka's KRST: Atum Ausar Amsy Hru Krst/Karast/Karest/Krishna/Kris/Christ, and Ausar Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Hru Ur Heka's Messu, or Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Mesu Hru Ur Heka.

**The Greek letter X's** derivation is from the Phoenician letter samekh in the West, meaning "Fish." Fish is the symbol of Jesus the Christ in the Age of Pisces.

Initially used by the Phoenicians to represent the /s/ consonant (denoting a hard S sound), the Greeks borrowed the samekh around 900 BCE and named it the Greek's **Chi or X**. The Greek's **Chi or X** also signifies the end of something: An entity whose existence is over, past, dead, and gone. This Greek signification of the **X** appears significantly applicable to western cultures' disconnection from their birthplace in Kamite Nilotic—Hapy/Hapi Valley—Æthiopian Kemetic African people's cultures of spirituality.

In the Tenth Century BCE, the Greeks employed this **X Cross** and the divine word Hru = Heru, Horus, or Hero to represent the Deity they called Heracles (Hercules).

The Chi-Rho symbol became the early Christian monogram of the Christ. The Greek letters **'X'** and **'P'** were the roots of the word **'Chres'** which means **'Lord.'** Afterward came **'Chrestos'** and finally **'Christ.'**

Later, as a Deity, Heracles became the name the Greeks called **Chi** or **X**. **Chi** or **X** is often used to abbreviate the title, Christ, as in the holiday Christmas (Xmas). When fused within a single type of Space with the **Greek** letter **Rho**, it is called the labarum and used to represent Lord Jesus the Christ's person.

Thus, the Greek's "**Chi-Rho Cross**" = the "**XP**" = the Christ's Christogram Symbol, the Christogram Symbol that stands for the Christ. The essence of this **Chi-Rho Christ's Cross** symbol is Nswt Bjty Atum Ausar Amsy Heru Ur Heka's **X**.

What does **X** mean Biblically? As mentioned above, in the Greek alphabet, **X** symbolizes the letter "**Chi**." **Chi** **X** is the first letter in the Greek word for Christ.

### THE ROMAN EMPIRE IN 117 AD

In the Roman Empire, during the early days of the Christian churches' development, Christians used the letter **X** as a secret symbol to indicate their membership in the church to others. This Christian's sign, or marker, can also be understood as a "crossing over" to another dimension: A transcendence, transformation, or transmigration out of the Roman Empire's Religious Systems.

Later, **during the reign of Constantine the Great**, it became a monogram for the Christ and the Christs' (plural) followers in the Roman Empire. **Under Constantine, the Great's, X, Constantine the Great's Christendom's emerging new orders represent the X Cross of the Crucified Christ himself.**

As an aside research project, many European researchers, scholars, and scientists (including Biblical Christian researchers, scholars, and scientists) have identified Heracles or Hercules' **X** as none other than an emblem of Jesus the Christ during the reign of Constantine the Great.

This scholarly acknowledgment reveals the known African origin of the word, Christ. Bear in mind that Heracles, Hercules, Hero, Christ, and Messiah—Messu—are all titles directly derived from Atum Amsy Hru Ur Heka or Amsy Hru Ur Heka, the Elder. Hence, these Greeks' names derive directly from terms that originated in the Kamite Nilotic—Hapy/Hapi Valley—Æthiopian African Kemetic spiritual cultures.

Hence, all these Sacred Signs, Symbols, Christograms, and Types that came forth derives directly from Nswt Bjty Atum Ausar Amsy Heru Ur Heka's Krst Anointed Mummy: This Divine Royal Krst: Nswt Bjty Atum Ausar Amsy Heru Ur Heka—in his many other sacred names and titles—represents Our Kamite Nilotic—Hapy/Hapi—Æthiopia Kemetic African World's Original and the First Entire World's Known Symbolized Divine Krst/Karast/Karest/Krishna/Krist/Christ in the Sahu's Kingdom of Heaven.
